INTERNET INSTALLATION FEE

A \$120.00 non-recurring charge is a fee that applies for the installation or move of Internet service (Voice/Data or Data Only), however, if the Customer commits to retain Internet service for a minimum of twelve (12) months, the charge will be waived.

Installation DOES NOT include additional inside wiring, or additional wall jacks within the premises. A new service drop may be installed at no additional charge if deemed necessary at INLAND’s sole discretion. Any additional installation shall be billed at INLAND’s going rates.

The non-recurring charge will be billed if the service is disconnected for any reason during the twelve (12) month period, including, but not limited to, moves within the exchange, disconnects for non-payment and changes to or from a Voice/Data service to or from a Data Only service.

If the Customer moves within the exchange after the twelve (12) month commitment period, the move is considered a new service. A new or revised application will be required and the \$120.00 move charge will be waived if the Customer commits for another twelve (12) months of service. Accounts disconnected within the twelve (12) month period will be billed the \$120.00 fee at the time service is disconnected.

The \$120.00 fee is due at time of installation if the Customer is not committing to service for a period of twelve (12) months or greater.

I/we fully understand and agree to the above terms and conditions.
