BILLING NAME AND ADDRESS DISCLOSURE

The Federal Communications Commission (FCC) has issued an Order 93-254, Docket 91-115 requiring local exchange telephone companies to disclose the customer's Billing Name and Address (BNA). As a result of the FCC mandate, Inland Telephone Company must disclose, when requested, the billing name and address of any customer utilizing certain toll services. Toll calls may be carried by an interexchange carrier, who a) is not your presubscribed interexchange carrier, or b) does not have a billing contract with Inland Telephone Company. Under these circumstances, the carrier does not know who to bill the call(s) to, and therefore, must request the customers BNA from Inland Telephone Company in order to bill the call(s). In addition, your BNA can be released for several other reasons, which may include verification for presubscription and new address purposes, fraud prevention and similar non-marketing purposes.

LONG DISTANCE SERVICE ELECTION**Choosing a Long Distance Carrier**

Prior to the installation of your telephone service, you may choose one of a number of carriers for interLATA equal access toll service and for intraLATA toll dialing parity service at no charge. Your selection on this application will be considered your first selection at no charge, after which, a Primary Interexchange Carrier (PIC) change charge will apply to each PIC change, with the exceptions as detailed below.

If you do not choose a specific carrier for interLATA equal access toll service and intraLATA toll dialing parity service, Inland Telephone Company will not designate any carrier as your choice. By not making a specific choice, you will, in effect, be selecting a "**No PIC**", which is considered a service choice. If this is the case, **you may access interLATA and intraLATA long distance using any access code**, such as 101XXXX, that is available in your service area. If your choice is **No PIC**, you have 60 days from the date your local service is connected in which to make one change in carrier at no charge. To change your selection, you must notify the carrier of your choice, who will forward a PIC change notice to Inland Telephone Company. If you do not choose a carrier within 60 days or choose to change carriers a second time, PIC change charges will apply. Below is the list of long distance carriers available to provide you with interLATA and intraLATA long distance. The best advice is to "shop around." You may contact any of the carriers listed prior to making your selections. Once you have decided on which carrier best meets your calling needs, you must inform that carrier and Inland Telephone Company of your choice(s).

CARRIER	RESIDENTIAL	BUSINESS	INTERLATA	INTRALATA
Global Crossing	1-800-482-4848	1-800-466-4600	YES	YES
SBC Long Distance	1-877-366-3200	1-877-366-3200	YES	YES
Inland Long Distance	1-877-801-1111	1-877-801-1111	YES	YES
The Phone Company	1-888-825-5265	1-888-825-5265	YES	YES
Verizon Select Services	1-800-483-4224	1-800-483-8188	YES	YES
Excel Communications	1-800-875-9235	1-800-209-8133	YES	YES

When selecting a long distance carrier, you may wish to consider some of the following questions:

- 1) How does their calling plan fit my personal calling needs?
- 2) What are their rates during "non-discounted periods"?
- 3) Are the rates they're showing me intrastate rates (within the state) or interstate rates (between two states)?
- 4) How do they compare with other companies' calling plans?
- 5) Are there other charges in addition to the per-minute charge?

Inland Telephone Company does not endorse any one specific long distance carrier. Inclusion on this list does not constitute an endorsement. The above list is provided to you in random order, which is changed on a regular basis.

My choice of carrier for InterLATA service is: _____

My choice of carrier for IntraLATA service is: _____

I understand that by completing the above two lines or by leaving one or both lines blank, I have made my initial selection of carrier. By completing one or both of the above lines, I have made my initial PIC and charges may apply to future PIC changes. If I have not chosen an interLATA or intraLATA carrier, I understand that I will have no direct dialed access to interLATA or intraLATA long distance and I have sixty (60) days from the date my local service is connected to change my selection of NO PIC one time at no charge. I understand that I can write No Carrier on either line as my initial choice and by doing so I will not have a presubscribed carrier assigned to my telephone line in the switching equipment.

I further understand that by completing this application, I am asking Inland Telephone Company to be my local service provider and, if applicable, I would like to keep my local telephone number. My local telephone number is: _____
